

Donations being accepted for Carolina Hill

Peak Physical Therapy & Sports Performance, 10 New Driftway, Scituate, is now accepting donations for Carolina Hill, a temporary shelter for homeless families based in Marshfield.

The Scituate clinic is now accepting hats, gloves, mittens, diapers, books and toys.

“During this festive time of year, it’s important to remember that not everyone is experiencing comfort and joy,” said Eric Edelman, owner of Peak Physical Therapy & Sports Performance. “This is our way of lending support to those who rely on Carolina Hills for the remarkable resources they provide.”
